

# MODULAR PLUG SYSTEM

## MODULAR PLUG

### Description

### Part no.

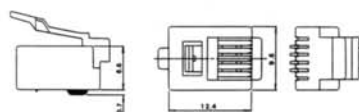

RJ14

4 positions, 2 contacts RJ14  
4 positions, 4 contacts RJ14

**IWP-4 P2C-1**  
**IWP-4 P4C-1**

4 position housing  
Insulator: Polyester  
Contact: Brass  
Plating: Flash Gold over Nickel  
Other platings on request

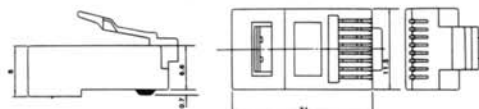

RJ11 / RJ12

6 positions, 2 contacts  
6 positions, 4 contacts RJ11  
6 positions, 6 contacts RJ12

**IWP-6 P2C-1**  
**IWP-6 P4C-1**  
**IWP-6 P6C-1**

6 position housing  
Insulator: Polyester  
Contact: Brass  
Plating: Flash Gold over Nickel  
Other platings on request

RJ45

8 positions, 4 contacts  
8 positions, 8 contacts  
8 positions, 4 contacts with key  
8 positions, 8 contacts with key

**IWP-8 P4C-1**  
**IWP-8 P8C-1**  
**IWP-8 P4CK-1**  
**IWP-8 P8CK-1**

8 position housing  
Insulator: Polyester  
Contact: Brass  
Plating: Flash Gold over Nickel  
Other platings on request

## MODULAR CABLE AWG 26

### Color Coding

### Description

### Part no.

4 wire (1 2 3 4)

1 yellow  
2 green  
3 red

4 wire, 150 m, black  
4 wire, 150 m, white

**IAWG 26-4-150-B**  
**IAWG 26-4-150-W**

6 wire (5 1 2 3 4 6)

4 black  
5 blue  
6 white

6 wire, 150 m, black  
6 wire, 150 m, white

**IAWG 26-6-150-B**  
**IAWG 26-6-150-W**

8 wire (7 5 1 2 3 4 6 8)

7 brown  
8 orange

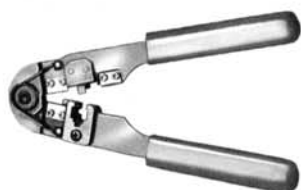

8 wire, 150 m, black  
8 wire, 150 m, white

**IAWG 26-8-150-B**  
**IAWG 26-8-150-W**

## MODULAR PLUG INSTALLING TOOLS

### Description

### Part no.

Modular connector crimping tool with cutting, stripping and crimping functions. One of the most efficient tools. All steel construction.

For 4 position plug  
For 6 position plug  
For 8 position plug

**IWP-HT 2094**  
**IWP-HT 2096**  
**IWP-HT 2100**

Modular connector crimping tool with cutting, stripping and crimping functions. One of the most efficient tools. Plastic construction.

For 4 positions  
For 6 positions  
For 8 positions

**IWP-PL-04**  
**IWP-PL-06**  
**IWP-PL-08**
